6TH Annual National Water Dance

April 20, 2024, 4 pm EDT

Coming together on **Saturday, April 20 at 4 pm EDT** are hundreds of dancers from across the country to perform a site-specific dance at a river, a bay, the ocean, a fountain or any water site nearby. From Seattle to Mississippi, Maine to California, Wisconsin to Florida dancers of all ages and experience will join others in uniting to celebrate and collectively take responsibility for protecting our Water.

Please join us for a beautiful mountain/lakeside outdoor movement experience to honor our vital natural resource and honor the ancestral land that it inhabits.
